ABOUT THE ROLE

Lakat is the HR platform of choice for ~1,200 Filipino SMEs. We are hiring a senior PM to own the Talent Pipeline area: sourcing, candidate review, interview scheduling. You will work with a designer, four engineers, and our head of customer success.

RESPONSIBILITIES

- › Own the Talent Pipeline roadmap end-to-end.
- › Talk to at least four customers a week, in person where possible.
- › Write clear product specs and equally clear killed-feature postmortems.
- › Partner with the GTM team on launch and pricing decisions.

WHAT WE'RE LOOKING FOR

- › 5+ years in product management, ideally 2+ at a B2B SaaS.
- › Track record of shipping features that customers actually adopt.
- › Comfortable saying no to internal stakeholders, with reasons.
- › Working knowledge of HR or recruiting workflows is a strong plus.

NICE TO HAVE

- › Experience with AI-assisted product features.
- › Data fluency: SQL, basic statistics, healthy skepticism.

PERKS & BENEFITS

- ✦ Equity grant on day one, four-year vest.
- ✦ Top-tier HMO + dental + mental health coverage.
- ✦ Quarterly travel budget for in-person customer visits.

HOW TO APPLY

Submit CV and one product writing sample via the Scratch Match portal.
