CURRICULUM VITAE · SAMPLE · SCRATCH MATCH

Product Designer · 6 yrs

End-to-end product design with a soft spot for clear typography and unloved admin tools.

SUMMARY

Product designer with six years across SaaS, fintech, and a brief stint at a local non-profit. Comfortable owning a feature from research to handoff. Looking for a senior IC role at a product company where design and engineering sit in the same room.

EXPERIENCE

Senior Product Designer

JAN 2023 – APR 2026

Lakat HR (Manila, remote) · Remote · Cebu

- › Led the redesign of the candidate-pipeline screen, lifting weekly active recruiters by 31 percent.
- › Established the design system that the engineering team still uses unchanged.
- › Ran weekly research calls with users from Cebu, Davao, and Iloilo SMBs.

Product Designer

AUG 2020 – DEC 2022

Reefspace · Cebu City

- › Designed the customer onboarding flow for a marine-tourism booking platform.
- › Shipped the first mobile-friendly dashboard, lifting mobile retention by 18 percent.

EDUCATION

University of San Carlos

2014 – 2019

BS Architecture

Pivoted to product design after graduation.
