

WE WANT YOUR HONEST TAKE

Tried it? Tell us.

Two minutes. Anonymous. Genuinely useful.

Scratch Match is a working prototype, not a finished product. Your feedback shapes the next iteration: what felt slow, what felt magic, what was confusing, what should exist next.

1**Open Camera**

Any modern phone camera reads QR codes natively.

2**Point & Tap**

Aim at the code, tap the link banner that pops up.

3**Be Honest**

Even one harsh sentence is more useful than ten polite ones.
